SOOKE FINE ARTS SHOW

📅 JULY 30, 2015 🗨️ LEAVE A COMMENT

They did it again folks!-- Last night's Taste of Sooke Event featured some of our incredible local food artists. Is there nothing this town can't do?! Civic pride aside, it was a feast for the senses, and I got to personally assist Tom Kral, Nature's Chef with his hyper-local remake of the hot dog, with his own "Bull Dog".

The art show was packed with people and the atmosphere was utterly Sooke: friendly, gifted and proud. Thankyou again Sooke Fine Arts show, artists and foodies...for crafting another night to remember!--

Now get off your computers and go see the show...there are only a few days left! Support your local artists. Cheerio!--
